RECOMMENDATION: ADOPT REPORT; FORWARD TO BOARD OF SUPERVISORS

Section 6.22 of the Administrative Code requires the Civil Service Commission furnish the Board of Supervisors, on or before the first Monday in November of each year, data as to the highest general prevailing rate of wages of the various crafts and kinds of labor as paid in private employment in the City and County of San Francisco. The attached General Prevailing Wage Determinations made by the Director of Industrial Relations, State of California pursuant to the California Labor Code reports the highest prevailing rate of wages of the various crafts paid in private employment in the City and County of San Francisco (Please see Attachments 1-4).

In May 1999, the Board of Supervisors amended the Administrative Code by adding section 21.25-1 to require that "Every Contract issued by the City and County of San Francisco for Janitorial Services to be performed at any facility owned or leased by the City and County of San Francisco, where such work is to be done directly under the contract awarded (a "prime contract") must require that any individual performing Janitorial Services there under be paid not less than the Prevailing Rate of Wages, including fringe benefits or the matching equivalents thereof, paid in private employment for similar work in the area in which the Contract is being performed, as determined by the Civil Service Commission." Attachment 6 contains the contractual changes of the Collective Bargaining Agreement between the San Francisco Maintenance Contractors Association and Service Employees International Union, Building Service Employees Union, Local 1877 Division 87 in effect from August 1, 2008 through July 31, 2012, reflecting the prevailing wage rates for individuals performing janitorial services in San Francisco. The parties are currently in negotiations for a new contract (Please see Attachment 6).

Attachment 7 contains the contractual changes of the Collective Bargaining Agreement between the San Francisco Window Cleaning Contractors Association and Window Cleaners Union – SEIU Local 1877, AFL-CIO in effect from April 1, 2010 to March 31, 2013, reflecting the wage and benefits levels for individuals performing window cleaning services in San Francisco (Please see Attachment 7).

In January 2003, the Board of Supervisors further amended the Administrative Code by adding Section 21.25-2 to require workers employed in public off-street parking lots, garages, or storage facilities for automobiles on property owned or leased by the City and County of San Francisco

be paid the prevailing wage rate. Attachment 5 is the Garage and Parking Lot Agreement between Parking Employers and Teamsters Automotive Employees, Local 665 in effect from December 1, 2008 until November 30, 2012 which reflects the prevailing wage rates for parking and garage attendants (Please see Attachment 5).

In April 2004, the Board of Supervisors amended the Administrative Code by adding Section 21.25-3 (Ordinance 76-04) to the Administrative Code to require that workers engaged in rigging, sound, projection, theatrical lighting, videos, computers, draping, carpentry, special effects, and motion picture services for shows on property owned by the City and County of San Francisco be paid the prevailing wage rate. Attachment 8 is the International Alliance of Theatrical Stage Employees Bargaining Agreement, Local 16 in effect from July 1, 2010 through December 31, 2010 (Please see Attachment 8).

In July 2004, the Board of Supervisors amended the Administrative Code by adding Section 21.25-x (Ordinance 169-04) to the Administrative Code to require that "any individual performing moving services...be paid not less than the Prevailing Rate of Wages". Attachment 9 is the Carpenters Truck Driver and Mover Agreement between the Northern California Regional Council of Carpenters and the Carpenters 46 Northern California Counties Conference Board in effect from September 1, 2010 until August 31, 2012. The standard agreement is used for Employers in Northern California. Signed copies of the union's contracts with its larger employers in San Francisco, reflecting the same prevailing wage rates for furniture movers and related classifications are included for reference (Please see Attachment 9).

Finally, in December 2006, the Board of Supervisors amended the Administrative Code by adding Section 21.25-5, "Any employee engaged in the hauling of solid waste be paid not less than the Prevailing Rate of Wages". Attachment 10 is the Collective Bargaining Agreement between the Sanitary Truck Drivers and Helpers Union Local 350, IBT and NorCal Waste Systems Inc., Golden Gate Disposal & Recycling Company, Sunset Scavenger Company, in effect from January 1, 2005 until December 31, 2011, which reflects the prevailing wage rates for individuals performing the following: 1) driver of an 18 wheel truck with a leak proof/secured garbage pick-up is the Commercial Driver; and 2) individual performing the garbage pick-up, refuse and recyclables (the blue and black containers) and may drive the truck is the Route Lead Person/Fantastic 3 (Please see Attachment 10).

For ease of reference, also included is an alphabetical list of the occupations covered in these various Wage Determinations (Please see Attachment 11).

It is recommended that the Civil Service Commission certify the State Department of Industrial Relations Director's General Prevailing Wage Determination Report and Employee Bargaining Agreements, which reflect the highest prevailing rate of wages paid various crafts and kinds of labor paid in private employment in the City and County of San Francisco.

September 20, 2010

If the Civil Service Commission certifies these rates, companion legislation effectuating such proposed changes should be drafted by the City Attorney and transmitted to the Board of Supervisors concurrently with the certification.

**IMPORTANT NOTICE TO AWARDING BODIES AND  
OTHER INTERESTED PARTIES CONCERNING THE NEW  
AMENDMENTS TO LABOR CODE SECTION 1720(a)**

The passage of Senate Bill 975 (Chapter 938), effective January 1, 2002, codifies existing Department of Industrial Relations' administrative decisions on appeal and determinations regarding the above referenced statute. This statute, among other things, also expands the definition of "public funds" for purposes of the Prevailing Wage Law and adds "installation" to the definition of construction. Chapter 938 also provides for certain specified exemptions to the new definition of "public funds."

In accordance with SB 975, its terms will be strictly enforced for all public works projects advertised for bids on or after January 1, 2002, except for those projects that that would have been covered under the Department's public works coverage determinations or decisions on appeal made precedential prior January 1, 2002, in which case there is an independent basis for enforcement of projects advertised for bid prior to January 1, 2002.

RE: Prevailing Wage Determination - Soils and Materials Tester (SMT) On Site

Dear Ms. Robbins:

Please find enclosed the response of Operating Engineers Local Union No. 3 in support of a Prevailing Wage Determination for a Soils and Materials Tester as set forth in the Master Construction Agreement for Northern California.

The data enclosed, we believe, justifies and establishes the Scope of Work Conforming to SB1999 for a Soils and Materials Tester performing on-site work in Northern California.

We respectfully request that a conclusive determination be made that the wage rates and fringe benefit rates applicable to this classification are the prevailing wage for this type of work within the geographical jurisdiction established in the Master Agreement and are consistent with the requirements of SB1999.

Your continuing assistance is appreciated. If there are any further questions, do not hesitate to contact myself or Dean Dye at 510/748-7400.

Sincerely,

Robert E. Clark,

**DEPARTMENT OF INDUSTRIAL RELATIONS  
STATE OF CALIFORNIA  
CLARIFICATION REQUEST - SOILS & MATERIALS TESTER (SMT)  
WITH  
OPERATING ENGINEERS LOCAL 3'S RESPONSES**

---

**1. Summarize the intent of the coverage of the SMT classification in your No. CA Master Agreement, which serves as the basis for the prevailing wage determination.**

All visual, physical and non-destructive testing that is done at a jobsite, on-site lab, fabrication site (yard), or off-site lab used exclusively for covered work.

**2. Define the following and indicate if done by the SMT classification:**

- a) Magnetic particle testing -- used for welding, laminations and other steel inspections; done by SMT
- b) Non-destructive inspection -- used for welding, laminations and other steel inspections; done by SMT
- c) Ultrasonic testing -- used for welding, laminations and other steel inspections; done by SMT
- d) Keying -- excavation at the toe of a slope; done by equipment operator
- e) Benching -- process of removing noncompacted or "soft" soil in order to properly place the compacted soil on unyielding materials; done by equipment operator
- f) Scarifying -- process of ripping or otherwise preparing the existing surface; done by equipment operator
- g) "Rolling of slopes" -- process of compacting the slope to the required density (also called "back rolling"); done by equipment operator
- h) One-pointer -- test made to roughly determine the weight and maximum density of the soil being used as fill material; done by SMT
- i) "Correction for rock" -- used during a compaction test to mathematically remove all oversize rock from the equation; done by SMT

**3. Does lab work fall within the jurisdiction of the SMT? Does the on/off site location of the lab make a difference?**

Lab work done offsite normally does not fall under the Construction Inspectors jurisdiction. If a field lab is set up at the project site in the field, it then falls under the Construction Inspectors jurisdiction.

**4. What is the civil engineer's job when working with the SMT? Is the civil engineer covered under the scope of the SMT sections of the collective bargaining agreement (CBA)?**

A Civil Engineer generally provides direction, plan interpretation and engineering type decisions. They may be either on- or off-site (depends on the nature of the project). They generally do not do the Construction Inspector type work; but if they do, then it is covered work.

- 5. The MLA (p.5) lists employees excluded from coverage. Does this imply that engineers and architects, project managers, off-site laboratory workers are excluded?**

Engineers, Architects, Project Managers, off-site Lab Workers, as long as they do not perform the Construction Inspector work, would not be covered.

- 6. Some signatories perform mechanical & electrical inspections. Are these jobs covered under the Operating Engineers Agreement? If so, how is work performed?**

We (OE3) consider Mechanical Inspectors to be covered by our CBA, therefore the prevailing wage (at the SMT rate) would be paid. Electrical should be covered work by the electrical craft.

- 7. Regarding manufacturing sites, if inspectors visit plants, is that inspection of the plant and its processes covered under the Agreement, is that the intent of SB1999?**

Steel fab shops, concrete and asphalt batch plants, prestressed yard and fabrication shop, etc. (such as those for piles & girders, gul lam beams) is covered work under the intent of SB1999, including mechanical and electric.

- 8. Are the following inspectors included in the scope of the agreement: Geotechnical, Concrete, Painting, Steel and Electrical?**

Concrete, Steel, Painting and Electrical Inspectors are covered work. Also Inspectors such as Roofing, Mechanical (HVAC), Suspended Ceiling, Plumbing, Geotechnical (unless registered Geologists/Engineer is specifically required by the plans & specs) Masonry, Fireproofing, Gul lam beams, Shotcrete, etc. In essence all inspection as required by the Uniform Building Code (UBC) is considered covered work.

- 9. Is visual observation inspection covered? For example: Using tape measures...**

The Construction/Special Inspector shall observe the work for conformance.....” is part of the UBC requirements. The majority of inspection work is visually by nature. Slump of concrete, length of weld, depth of footings, pile caps, width of footings, pile caps etc. are but a short list of work that a Construction Inspector would use a tape measure for.

- 10. What is the difference between a Geotechnical Inspector and a Geotechnical Engineer? Are they covered under the Operating Engineer Agreement?**

A Geotechnical Engineer normally would be a registered person with a college degree. They may be a Geologist/Engineer in training also. Geotechnical Engineer performs/supervises the analyses, design and documents preparation associated with the geotechnical aspects of the project. They would not normally be covered, unless doing Construction Inspector work.

A Geotechnical Inspector ascertains through inspection and/or testing that the Geotechnical Engineer's requirements/recommendations are complied with. A Geotechnical Inspector would normally be covered.

- 11. Is a Project Manager whose duties include weekly meetings, approving, contracts, managing engineers, managing subcontracts and preparing monthly reports be covered under the CBA?**

A Project Manager, (who would normally not be doing construction inspection work) would not be covered.

12. Is a Resident Engineer whose duties include logging correspondence amongst contractors and subcontractors, performing soil, concrete, masonry, and HVAC tests, and acting as a liaison between contractors and engineers be covered?

Resident Engineers, normally a professional registered person is not covered unless doing Construction Inspector work (such as performing soils, concrete, masonry & HVAC tests).

13. Is the SMT an apprenticeable classification?

Yes.

14. Is inspection of bridges and piers covered under the SMT classification under Operating Engineers Local #3's agreement?

Yes.

The following, in addition to the above, are also considered covered inspection work: high strength bolting; shearwall & diaphragms; metal connectors, anchors or fasteners for wood construction; piling; drilled piers; caissons; bolts installed in concrete; post tensioning steel; pre-stressed steel. Also includes, but not limited to, underground construction (sewers, gas lines, drainage devices, water lines, backfilling, welding, bedding). SMT rates apply.

**Re: Building Construction Inspector (BCI) and Field Soils and Material Tester (FSMT)  
Classifications**

Dear Ms. Robbins:

Pursuant to your request for clarification contained in your November 20, 2001 correspondence we submit the following:

1. *What is the difference between the Building Construction Inspector (BCI) and the Field Soils and Materials Tester (FSMT) classifications? There appears to be some overlap of duties. Could you summarize the intent of the coverage between Southern California Contractors Association, Inc. and the International Union of Operating Engineers Local No. 12, which serves as the basis for the prevailing wage determination?*

As stated in our June 5, 2001 correspondence to your office, a Building Construction Inspector (BCI) is a licensed inspector who generally works under the direction of a registered civil engineer. The BCI is used when higher stresses are involved, e.g., welding, reinforced concrete, masonry, non-destructive testing and other related disciplines. The term "building inspector" or "construction inspector" has the same meaning as "special inspector." The BCI classification is meant to include inspection of all structures, including but not limited to, residential and commercial buildings, bridges, piers, warehouses, oil/water tanks, docks, refineries, heavy highway construction, underground construction, water works, sewers, water reclamation, flood control, dams, dredge, etc.

A field soils and material tester (FSMT) performs a variety of duties. They include special grading, excavation filling, soils used in construction, concrete sampling, density testing and various types of verification tests.

Occasional overlap of duties may occur between the BCI and FSMT, such as taking concrete specimens in the field, however, one must look at the overall scope of work/duties to determine the proper prevailing wage/rate classification.

2. *How is grading inspection different when performed by a BCI or by a FSMT?*

"Grading inspection is generally the work of a FSMT. The City of Los Angeles certifies/licenses grading inspectors whose duties are similar, but more stringent than those of the FSMT. The grading inspector in the Los Angeles area is covered under the BCI classification/wage rate.

3. *Please define the following and identify which classification performs this work:*

- a) *Magnetic particle testing*
- b) *Nondestructive inspection*
- c) *Ultrasonic testing*
- d) *Keying*
- e) *Benching*
- f) *Scarifying*
- g) *"Rolling of slopes"*
- h) *One-pointer*
- i) *"Correction for rock"*

a) b) c) Magnetic and ultrasonic testing are two different forms of non-destructive testing (NDT). They use mechanical devices to check defects in structures such as welds. The use of magnetic and ultrasonic waves in the evaluation process does not cause any damage to the structure, hence, the term non-destructive testing. Other forms of non-destructive testing include radiography (x-rays) and penetrant testing. All of this work is that of the BCI.

d) Keying in is benching into existing material while filling up an adjacent fill, to bind the two areas (materials) together, eliminating the chance of a soft or uncompacted area in between the two materials or areas. A "stair-step" procedure is usually used.

e) Benching is using a piece of equipment (usually a dozer) to cut into existing material while filling up an adjacent fill, to bind the two areas (materials) together. This eliminates the chance of soft or uncompacted area in-between the two materials or areas. A "stair-step" procedure is usually used.

f) Scarifying is a procedure performed by equipment that rips up existing material approximately one foot deep, then processing that material by watering and mixing it.

g) Rolling of Slopes is a compaction technique used on the slopes of a new fill area. The time required for compaction on the slope of a fill is the same as the required compaction on the top of the fill.

h) A One-Pointer is one test made on the soil by a field soils and material tester (or FSMT).

i) Correction for Rock is a calculation made for oversized rock in soil, done by a field soils and material tester (FSMT).

Items a, b and c are performed by the BCI. Items d, e, f, g, h and i are performed by the FSMT.

To perform items a, b, and c, the individual would have to obtain certification as required by the agency. If certified, for example, in "Ultrasonic Testing," one could perform FSMT work and then move to BCI work if certified to do so.

4. *Does lab work fall within the jurisdiction of the BCI? Does the on/off site location of the lab make a difference?*

No, lab work is not covered. If a lab is located on-site and the individual stays "inside" the lab, there is no coverage. However, if the individual goes on-site and performs "field work," then he or she is covered for all hours worked.

5. *What is the civil engineer's job when working with the BCI or FSMT? Is the civil engineer covered under the scope of the BCI or FSMT sections of the collective bargaining agreement (CBA)?*

The civil engineer usually acts in a supervisory role, directing the BCI or FSMT activities. The civil engineer work would not be covered unless he or she performs "field work."

6. *The Master Labor Agreement (page 5) lists employees excluded from coverage. Does this imply that engineers, architects, project managers and off-site laboratory workers are excluded?*

Yes.

7. *Some signatories perform mechanical & electrical inspections. Are these jobs covered under the Operating Engineers agreement? If so, how is work performed?*

Not covered.

8. *When inspectors visit manufacturing sites, is the inspection of the plant and its processes covered under the agreement? Is that the intent of SB 1999?*

Yes, pursuant to the agreement. The intent of SB1999 was to further define coverage in the public work arena.

9. *Are the following inspectors included in the scope of the agreement: Geotechnical, Concrete, Painting, Steel and Electrical?*

Geotechnical, yes. Concrete, yes. Painting, no. Steel, yes. Electrical, no.

10. *Is visual observation inspection (e.g., using tape measures) covered?*

Yes. Visual inspection is a component of the Inspector's duties.

11. *What is the difference between a Geotechnical Inspector and a Geotechnical Engineer? Are they covered under the Operating Engineer agreement?*

A Geotechnical Inspector is "on-site" performing the "field work" and is covered. The

Geotechnical Engineer is usually "in-house," a supervisory position, "off-site."

12. *Is a project manager whose duties include weekly meetings, approving contracts, managing engineers, managing subcontracts and preparing monthly reports covered under the CBA?*

No.

13. *Is a resident engineer whose duties include logging correspondence amongst contractors and subcontractors, performing soil, concrete, masonry and HVAC tests, and acting as a liaison between contractors and engineers covered?*

When a Resident Engineer logs correspondence among contractors and subcontractors, the work is not covered. When the Resident Engineer acts as a liaison between contractors and engineers, the work is not covered. When performing soil, concrete or masonry tests, the work is covered. HVAC tests are not covered.

14. *Is the BCI an apprenticeable classification?*

Yes.

15. *Is the FSMT an apprenticeable classification?*

Yes.

16. *Is inspection of bridges and piers covered under the BCI and/or FSMT classifications under your agreement?*

Yes. Please see the coverage language in the CBA. Both classifications are covered pertaining to bridge work.

We hope the information provided herein is beneficial to you. Please call this office if you should have any questions.

Sincerely,

**Important Notice to Awarding Bodies and Other Interested Parties  
Regarding Shift Differential Pay in the Director's General Prevailing Wage Determinations**

Dear Public Official/Other Interested Parties:

The Director's General Prevailing Wage Determinations includes shift differential pay for various crafts used on public works projects. This notice is to clarify the worker's eligibility to receive the shift differential pay when working on a public works project. Please note that not all crafts have shift differential pay published in the Director's General Prevailing Wage Determinations.

When a worker is required to work a regular shift, he/she must be paid the applicable craft rate from the Director's General Prevailing Wage Determinations for the construction activity he/she is performing. However, when a worker is required to work a shift outside of normal working hours, he/she must be paid the shift differential pay according to the shift he/she is working. For example, if only one shift is utilized for the day, and the work being performed is during the hours typically considered to be a swing (second) shift or graveyard (third) shift, the worker employed during the hours typically considered to be a swing shift or graveyard shift must be paid the shift differential pay for the shift he/she is working. If multiple shifts are used for the day, the worker working on the second or third shift must be paid according to the shift he/she is working.

Please refer to the contract provisions posted on the Internet at [www.dir.ca.gov/DLSR/PWD](http://www.dir.ca.gov/DLSR/PWD) for the working hours applicable to the craft/classification published in the Director's General Prevailing Wage Determinations, which has a swing shift and/or a graveyard shift.

Sincerely,

Chuck Cake

Dear Chuck,

I hope the information below will help you.

For C7 licensed contractors with whom CWA holds a collective bargaining agreement in the State of California, I believe the following statement covers 95 % of work performed by our members.

The scope of work that CWA members perform requires the running of conduit from time to time. This conduit work is typically coincidental to Telecommunications work and normally in telecommunications rooms / closets. Usually the conduit run is not longer than 10 feet.

Sincerely,

Bill Quirk  
Assistant to Vice President  
Communications Workers of America, District 9

RE: Enforcement of Prevailing Wage Obligations for On-Haul and Off-Haul Trucking By Owner-Operators Not Employed by Material Suppliers

Dear Interested Parties:

This notice is in response to the various letters I have received regarding enforcement of prevailing wage obligations for owner-operator truck drivers hauling material and equipment to and from public works sites.

It has been this Department's policy that owner-operators, including owner-operator truckers, performing public work must be paid prevailing wages.<sup>1</sup> It appears, however, and as some of you have acknowledged, the majority of the Department's enforcement of prevailing wage obligations has concerned owner-operators (of any kind) performing work within a public works site.<sup>2</sup>

In light of the Department's enforcement experience and its current consideration of appropriate wage rates for owner-operators performing on-haul and off-haul trucking, enforcement of prevailing wage obligations for such work is stayed pending DLSR's establishment of the appropriate rates, including a formula for applying them to the unique circumstances of owner-operator compensation.<sup>3</sup>

In addition, the rates established by DLSR for owner-operator truckers performing off-haul and on-haul deemed to be public work will be applicable to all work advertised for bid on or after the date of the rates issued by DLSR.<sup>4</sup>

Sincerely,

/s/John M. Rea  
Acting Director

<sup>1</sup> Under *O. G. Sansone Co. v. Department of Transportation* (1976) 55 Cal.App.3d 434, 458, 127 Cal.Rptr. 799, this excludes owner-operators employed by material suppliers.

<sup>2</sup> Almost all prevailing wage complaints involving owner-operators performing on-haul and off-haul trucking appear to have come in after the request for a determination or after the issuance of the determination.

<sup>3</sup> Labor Compliance Programs are required to enforce prevailing wage obligations in a manner consistent with the enforcement policies of DLSE (title 8, California Code of Regulations, section 16434). Thus, Labor Compliance Programs are directed to observe the same stay policy as described herein.

<sup>4</sup> Consistent with the Department's enforcement policy, if an awarding body does not advertise the public works project for bid, other benchmarks events, including the first written memorialization of the agreement concerning the public works elements of project or the contract governing the award of public funds will be utilized instead. See e.g., Baldwin Park Market Place, City of Baldwin Park, Public Works Case No. 2003-028, October 16, 2003.

**SUMMARY OF IMPORTANT NOTICES CONCERNING BURGLAR ALARM AND  
FIRE ALARM INSTALLATION**

Dear Public Official/Other Interested Parties:

The Department has issued four important notices (June 27, 2002, March 5, 2003, February 25, 2004, and November 10, 2005) regarding the prevailing rate of pay for burglar alarm and fire alarm installation. Each important notice has only prospective effect (applies only to projects advertised for bids on or after the tenth day of issuance). The tables on the following two pages provide a summary of the applicable rates of pay by county for burglar and fire alarm installation as contained in each of the important notices issued for these types of work. The information in these tables **does not** alter the applicable rates of pay issued in the aforementioned important notices.

Please note that minimum rate of pay determinations are issued on a "project-by-project basis." If you have a public works project in one of the counties listed in the tables that indicates "project-by-project basis," you may request a minimum rate of pay determination prior to the bid advertisement date of the project by sending a written request to the address below. Each request should include all the relevant documents that would assist the Department in issuing a determination. These documents include but are not limited to the contract, financial documents, plans, specifications, as well as contact information for the Awarding Body.

**IMPORTANT NOTICE  
TO AWARDING BODIES AND INTERESTED PARTIES  
REGARDING  
THE PREVAILING WAGE RATES BELOW THE CALIFORNIA MINIMUM WAGE**

In accordance with Labor Code Sections 1770, 1773, and 1773.1, the Director of the Department of Industrial Relations is responsible for determining the prevailing wage rates for each worker employed on public works projects of more than \$1,000.

Effective on January 1, 2007, the minimum wage in California will increase to seven dollars and fifty cents (\$7.50) per hour. Effective on January 1, 2008, the minimum wage in California will increase to eight dollars (\$8.00) per hour. The Director's prevailing wage determinations shall not be below the California minimum wage. Each employer is required to pay at least the California minimum wage for the basic hourly rate in all cases where the published prevailing wage rate is below the California minimum wage. Any and all employer payments required by these determinations must also be paid.

If the California minimum wage is increased in the future to an amount above that shown in a prevailing wage determination, the basic hourly rate in that determination automatically increases to the new minimum wage.

**IMPORTANT NOTICE TO AWARDING BODIES  
AND OTHER INTERESTED PARTIES  
REGARDING THE DETERMINATIONS ISSUED ON FEBRUARY 22, 2007 FOR  
METAL ROOFING SYSTEMS INSTALLER (PAGES 2J - 2J-15)**

Dear Public Official/Other Interested Party:

The Division of Labor Statistics and Research (DLSR) found through the Metal Roofing Systems (Commercial Construction) Statewide Wage and Benefits Survey that there is insufficient or no data to establish a mode for metal roofing in **Alpine, Colusa, Del Norte, Glenn, Imperial, Inyo, Kern, Kings, Lake, Mariposa, Merced, Modoc, Mono, Nevada, Plumas, San Benito, San Luis Obispo, Santa Cruz, Sierra, Sutter, Tehama, Trinity, and Tuolumne** counties. The Director of Industrial Relations determined that the minimum acceptable rate for metal roofing in these counties would be one of the four rates which DLSR publishes as prevailing through broad areas of California (i.e. the Carpenter, Iron Worker, Roofer and Sheet Metal Worker rates published in the General Prevailing Wage Determinations).

These will remain the minimum rates unless and until the rate is successfully challenged, in the context of a specific job with payroll evidence that another rate prevails, under Labor Code Section 1773.4 (for a specific project) or should another party submit payroll data showing that there is a single rate prevailing in a broad labor market which includes these counties or for one of these counties, via petition meeting the requirements of under Title 8, California Code of Regulations section 16302. We will require, as the survey did, actual payroll data linked to a project on which a metal roof was installed by the worker paid that rate. Please note that in the successfully challenged county(ies), a wage and benefits survey will be conducted to determine the prevailing wage rate for this type of work.

**IMPORTANT NOTICE  
TO AWARDING BODIES AND INTERESTED PARTIES  
REGARDING OVERTIME ON PUBLIC WORKS**

The Department has received several inquiries regarding whether it would be appropriate to refer to the contract provisions for a craft, classification, or type of worker in cases where the prevailing wage is based on a collective bargaining agreement to determine the overtime requirements for public works.

Contract provisions that allow for employees to work alternative workweek schedules in which they may work more than 8 hours per day without overtime pay do not apply to work performed on public works. The laws and regulations governing prevailing wages require that employees of contractors on public works be paid not less than 1-1/2 times the basic rate of pay for all hours worked in excess of 8 hours per day and 40 hours during any one week. In addition, overtime compensation may be required at a higher rate than 1-1/2 times the basic rate of pay, for less than 40 hours in a standard workweek, or for less than 8 hours in a calendar workday as specified in the prevailing wage determination. Contractors are required to pay overtime pursuant to Labor Code sections 1810-1815 and as indicated in the prevailing wage determination. Therefore, please refer to Labor Code sections 1810-1815 and the prevailing wage determination and not the contract provisions for each particular craft, classification, or type of worker to obtain the applicable requirements for overtime hours and rates of pay.

THE PREVAILING WAGE RATES BELOW THE CALIFORNIA MINIMUM WAGE**

In accordance with Labor Code Sections 1770, 1773, and 1773.1, the Director of the Department of Industrial Relations is responsible for determining the prevailing wage rates for each worker employed on public works projects of more than \$1,000.

Effective on January 1, 2008, the minimum wage in California will increase to eight dollars (\$8.00) per hour. The Director's prevailing wage determinations shall not be below the California minimum wage. Each employer is required to pay at least the California minimum wage for the basic hourly rate in all cases where the published prevailing wage rate is below the California minimum wage. Any and all employer payments required by these determinations must also be paid.

If the California minimum wage is increased in the future to an amount above that shown in a prevailing wage determination, the basic hourly rate in that determination automatically increases to the new minimum wage.

## Notice of Public Hearings and Request for Data to Determine the Prevailing Wage for Off-the-Site Hauling (to/from a Construction Site)

The Director of the Department of Industrial Relations is conducting a wage investigation pursuant to Labor Code section 1770 and 1773 to determine the general prevailing rate of per diem wages for off-the-site hauling (to/from a construction site). The Director has also scheduled two public hearings to gather information to determine the applicable prevailing rate of per diem wages for this work. Any person, including but not limited to employees, labor organizations, employers, and employer associations are invited to participate by providing data and testimony concerning the above referenced subject matter. Any testimony given at either hearing will be under oath as required by 8 CCR 16304(a)(6). All documents mailed or received must be accompanied by a signed statement certifying the documents submitted are true and accurate. Attached is a suggested language you can use to certify your records.

### Data Requested

The participant(s) shall document the following information as applicable:

- Describe the trucks used by your employees to perform off-the-site hauling (to/from a construction site) including refuse (e.g. bottom dumps including cubic yards, flat bed including number of axles, transit mix including cubic yards, etc.);
- Indicate the number of employees (drivers) operating each type of truck during your peak employment<sup>1</sup> for your company on a county-by-county basis<sup>2</sup>;
- Provide a current wage sheet showing the basic hourly wage rate and the supplemental benefits paid to workers employed in all driving classifications; and
- Submit payroll documents (such as weekly/monthly payroll reports) related to each county's peak period.
- For those who are party to a collective bargaining agreement (CBA), submit every fully executed (jointly signed) CBA applicable to off-the-site hauling (to/from a construction site);
- For those who are party to a CBA under which off-the-site hauling is performed, list the counties covered under the terms of the CBA, if not already contained in the agreement;
- For those who are party to a CBA under which off-the-site hauling is covered, list the names and addresses of all employers signatory to each CBA that you submit, if such information is not already contained in the CBA;

Clarification of the Notice dated October 8, 2008 for ~~the~~ off-the-site Hauling of Construction Materials

This is a clarification based on questions and comments from industry sources that should help employers and unions better respond to the previously mailed and posted request for data to determine prevailing wage rates for off-the-site hauling of construction materials.

DLSR is requesting information from three sources for off-the-site hauling: a) the construction employers who employ drivers to haul materials to and from the construction site, b) the material suppliers, and c) the trucking companies who haul construction materials.

The following is provided to help clarify the information DLSR has requested:

- A description of the trucks as to type (dump, low boy, transit mixer, etc.) and their size (cubic yards, number of axles\*, tonnage, or gross vehicle weight, etc.) that are used as the basis for the different pay rate classifications.
- Provide the actual payroll records that show the peak day of employment for each county (peak day is defined as the single day when the greatest number of workers perform the off-the-site hauling in the last 12 months and the rates these employees were paid).
- The construction site where the deliveries were made or material was picked up will determine the County for counting peak employment.
- Both public and private work are to be combined in submitting data.
- For purposes of this investigation, it is possible that the same employee can be counted two or more times if the employee worked more than one county on the same day.
- Likewise, an employee-driver can be counted two or more times if the driver worked at more than one pay rate classification on the same day.

Note this request for information is only for workers **engaged** in hauling of construction materials off-the-site of construction. The payroll records must be **submitted** to support the data provided above. If necessary, the payroll records may be supplemented with **written comments** to further explain the data.

**Confidentiality:**

Individual employer or employee wage data or payroll **information** provided is confidential and will be used for statistical purposes only. Direct testimony given **at a public hearing** is not confidential

**IMPORTANT NOTICE TO AWARDING BODIES AND INTERESTED PARTIES  
REGARDING PREVAILING WAGE DETERMINATIONS  
FOR RESIDENTIAL PROJECTS**

The Division of Labor Statistics and Research (DLSR) will no longer issue residential wage rates as special prevailing wage determinations pursuant to the California Code of Regulations Section 16202. Effective January 26, 2009, the DLSR will make available on demand residential prevailing wage determinations for those crafts/classifications which are on file with the DLSR to any interested party upon request. This does not alter the basis for determination, it only improves the availability of these determinations to the regulated public.

As defined under the California Code of Regulations Section 16001(d), residential projects consist of single-family homes and apartments up to and including four stories. The residential determinations will apply only to the residential portion of the project meeting this definition. Construction of any structures or ancillary facilities on the project that does not meet this definition requires the payment of the general prevailing wage rates found in the Director's General Prevailing Wage Determinations.

To obtain residential determinations, please fax a request to (415) 703-4771 or send to the following address:

Department of Industrial Relations  
Division of Labor Statistics and Research  
P.O. Box 420603  
San Francisco, CA 94142-0603

It is anticipated that residential determinations will be updated semi-annually as are the Director's General Prevailing Wage Determinations. An important notice will go up on DLSR's website when residential determinations are updated. If you are obtaining residential determinations and your project is not immediately advertised for bids, please refer to these important notices to make sure you are using the residential determinations in effect at the time a project is advertised for bids.

If you have any questions, please contact the Division of Labor Statistics and Research at the aforementioned address or call (415) 703-4780 and ask for the Prevailing Wage Analyst of the Week.

**IMPORTANT NOTICE TO AWARDING BODIES,  
OTHER INTERESTED PARTIES, AND CD RECIPIENTS  
REGARDING THE GENERAL PREVAILING WAGE DETERMINATIONS FOR THE  
CRAFT OF DRIVER (ON/OFF-HAULING TO/FROM CONSTRUCTION SITE)**

The Department of Industrial Relations ("Department") conducted a wage investigation to determine the prevailing wage rate(s) for the craft of Driver (On/Off-Hauling to/from a Construction Site). Based on the results of this investigation, the Department has issued statewide prevailing wage determinations for the classifications of Dump Truck Driver and Mixer Truck Driver (see pages 2L-1 through 2L-6 and pages 2K-1 through 2K-16, respectively). These determinations will be applicable to public works projects advertised for bids on or after March 4, 2009.

The Department determined that the Dump Truck Driver rates found in the Teamsters Master Labor Agreement for on-site construction also set the prevailing rate for On/Off-Hauling to/from a Construction Site for Marin, Napa, Solano, Sonoma, and Yolo Counties. Based on the results of this investigation, this on-site determination does not apply to any other counties for On/Off-Hauling to/from a Construction Site. To find the applicable rate(s) for the Dump Truck Driver classification in Marin, Napa, Solano, Sonoma, and Yolo Counties, please refer to the prevailing wage determination for the craft of Teamster (Applies only to Work on the Construction Site) found on pages 55, 56, and 56A of the Director's General Prevailing Wage Determinations.

For CD recipients, please note the correction that determination NC-23-261-4-2005-1 for the craft of Driver (On/Off-Hauling to/from a Construction Site), page 59, is no longer applicable to public works projects advertised for bids on or after March 4, 2009. To obtain the current determinations for this craft, please visit our website at <http://www.dir.ca.gov/DLSR/PWD/Statewide.html> on or after March 4, 2009, or contact the Prevailing Wage Unit at (415) 703-4774.

**IMPORTANT NOTICE REGARDING A RESIDENTIAL CONSTRUCTION SURVEY  
FOR THE CENTRAL VALLEY COUNTIES**

The California Labor Code authorizes the Director of the Department of Industrial Relations to set the prevailing rate of per diem wages for all workers employed upon public works projects. The Division of Labor Statistics and Research ("DLSR") is the lead agency for determining the prevailing wages.

Assembly Bill Number 1, fourth Extraordinary Session (ABX4 1), augments the Department of Industrial Relations' appropriation for the purpose of conducting employer surveys to determine the residential construction<sup>1</sup> wage rates in the central valley counties and to maintain and regularly update these determinations in the future.

To obtain the necessary data, the DLSR will survey all construction employers in California who may perform residential construction work in the 18 counties which generally comprise the central valley: Butte, Colusa, Fresno, Glenn, Kern, Kings, Madera, Merced, Placer, Sacramento, San Joaquin, Shasta, Stanislaus, Sutter, Tehama, Tulare, Yolo, and Yuba Counties. The survey will cover all classifications and types of work. The time period used in determining the prevailing wage in the areas of determination shall be the 12-month period prior to the request for a wage determination unless another time period is necessary.

DLSR will mail out the survey questionnaires and instructions to licensed construction contractors within the next 6 months. Prior to the start of the survey DLSR will send letters to the employer associations and construction unions to assist in this effort.

If you have any questions, please contact the DLSR at (415) 703-4780.

<sup>1</sup> Residential construction is defined as work performed on all residential construction projects consisting of single family homes and apartments up to and including four stories in height.

**IMPORTANT NOTICE CONCERNING PROPOSED QUESTIONNAIRE FOR THE  
RESIDENTIAL CONSTRUCTION WAGE AND BENEFITS SURVEY IN THE 18 COUNTIES  
LOCATED IN THE SACRAMENTO AND SAN JOAQUIN VALLEYS**

**All Interested Parties:**

Several organizations have expressed a strong desire to review and comment on the Residential Rate Questionnaire before its mailing to the licensed contractors and contractor and labor organizations that perform residential construction work in the Central Valley. On February 22, the Division of Labor Statistics and Research (DLSR) completed the final draft of this questionnaire using its extensive experience in such matters. The questionnaire was developed in accordance with California Labor Code sections 1773, 1773.1 and 1773.9 along with California Code of Regulations sections 16200(c), (d), and (e). The final draft is now posted on the DLSR web site at [http://www.dir.ca.gov/dlsr/statistics\\_research.html](http://www.dir.ca.gov/dlsr/statistics_research.html) and is open for questions and comments from the regulated public (labor and management) until March 8, 2010.

Comments may be submitted to the Division of Labor Statistics and Research at P.O. Box 420603, San Francisco, CA 94142-0603 or via Fax to 415-703-4771.

We look forward to input in the spirit of clarifying or improving the questionnaire. DLSR will make those modifications to the questionnaire that will satisfy the requirements of the law and regulations and at the same time ease the process for the responding contractors.

Please note that this invitation to comment is not established under the formal rulemaking requirements of the Administrative Procedure Act. The prevailing wage rate determination process, as a rate setting process, is excluded from the requirements of the Administrative Procedure Act (Government Code section 11340.9(g)).

In reviewing the notice on our website, the carpenters notice contains a typographical error in the last sentence of paragraph 1, “the minimum rate of pay for work in question is performed by Electricians: Inside Wiremen...”

**NOTICE REGARDING ADVISORY SCOPE OF WORK FOR  
THE SOUTHERN CALIFORNIA CARPENTERS'  
GENERAL PREVAILING WAGE DETERMINATION**

The California Labor Code requires the Director of the Department of Industrial Relations to determine the prevailing rate of *per diem* wages for all workers employed upon public works projects. The Division of Labor Statistics and Research ("DLSR") undertook an investigation in 2009 to determine the prevailing wage rates for the **installation of solar and photovoltaic systems in Los Angeles, San Diego and Imperial Counties**. The results of the questionnaire have been compiled and based on them the minimum rate of pay for the work in question is – **Electricians: Inside Wiremen** for the Los Angeles, San Diego, and Imperial Counties General Prevailing Wage Determinations.

The type of work listed below, as identified in the Carpenters 1998-2011 Master Labor Agreement, between Southern California Conference of Carpenters and Associated General Contractors of California, Inc., Building Industry Association of Southern California, Inc., Southern California Contractors Association and Millwright Employers Association, were not published or recognized for the **Los Angeles and Imperial Counties** by the Department of Industrial Relations starting with the **August 22, 2009** issuance of the Southern California Carpenters' general determination, **SC-23-31-2-2009-1** and continuing with any subsequent Southern California Carpenters' general determinations until superseded by the Director. The rates associated with this unrecognized type of work (solar energy installations and appurtenances thereto) **SHALL NOT** be applied or used on public works projects for the associated type of work.

## GARAGE AND PARKING LOT AGREEMENT

December 1, 2008 to November 30, 2012

### PREAMBLE

This Agreement is made and entered into by and between the *Jurisdictional Operators of Parking Facilities* referenced in Section 33, hereinafter referred as the "Employer", and **Teamster Automotive & Allied Workers, Local Union No. 665**, affiliated with the International Brotherhood of Teamsters, hereinafter referred to as the "Union".

### SECTION 1. RECOGNITION

The Employer hereby recognizes the Union as the exclusive collective bargaining representative of all employees employed by the Employer to perform work in the classifications specified in Section 15 "DUTIES" herein, and employees performing work in these classifications shall be known by the term "Garage Employees."

It is agreed that the signing of this Agreement shall constitute a recognition of the Union, and it is further agreed that no member shall be discharged for activity in or representing their Union. Persons not covered by this Agreement, including non-bargaining unit employees of the Employer, shall not, under normal circumstances, perform any work or services covered by this Agreement.

### SECTION 2. HIRING

Only members in good standing in the Union shall be retained in employment. For the purposes of this Section, "members in good standing" shall be defined to mean employee members of the Union who tender the periodic dues and initiation fees uniformly required as a condition of acquiring or retaining membership.

All employees covered by this Agreement shall become members of the Union within thirty-one (31) days from the effective date of this Agreement or within thirty-one (31) days from the date of employment, whichever is later, and shall remain members of the Union in good standing as a condition of continued employment.

The Employer shall require new employees to obtain a referral from the Union before starting to work, and it shall be the Employer's responsibility for any violation of this Section in the Agreement. The Employer shall pay a \$100.00 fine per day and per violation, to be disbursed by the Union, but this fine shall be subject to the grievance procedure in the Agreement.

The Employer shall be the judge of the competency and fitness of the employee for all purposes, including hiring, promotion, and demotion. When an employee is engaged outside of the Union office, the employee shall be required to obtain a referral from the Union before starting to work.

- A Probation Period: Employees hired after the ratification of this Agreement shall be on probation for the first ninety (90) calendar days of employment. New employees terminated by the Employer during the ninety (90) day probationary period shall not be subject to the grievance procedure. Wages and other working conditions in the contract shall apply to employees during the probationary period.

- B. Non-Discrimination: There shall be no discrimination in hiring, promotion, or other aspects of employment, because of age, sex, race, creed, color, national origin, physical handicap, marital status or sexual orientation. No employee shall be discriminated against by the Employer for living up to and observing the provisions of this Agreement. The Employer agrees to promote diversity in hiring and promotion within the bargaining unit.
- C. Cost of Hiring: The Employer agrees to pay the cost of medical examination and bonding fees if required. The Employer shall pay employment agency fees if it or its agent specifically orders employees from employment agencies.

### **SECTION 3. UNION MEMBERSHIP**

Membership in the Union on or after thirty-one (31) days following the beginning of employment, or the effective date of this Agreement, whichever is later, shall be a condition of employment to the extent consistent with the law.

Upon satisfactory proof from the Union, the Employer agrees to suspend or discharge any employee who fails to make application for and complete membership in the Union or, alternatively, fails to tender initiation fees and dues uniformly required as a condition of acquiring or retaining membership. The Union shall hold the Employer harmless from any and all liability.

The Employer agrees that members of the Union shall not be discriminated against or be penalized because of activities in the Union, provided said activities do not interfere with their regular employment.

The Union may designate an individual to serve as shop steward. There shall be neither discrimination against nor preferential treatment, for purposes of layoff or recall, of the steward because of Union activity.

The Employer at the request of the Union is to deduct from the wages of employees, membership dues (and initiation fees) of the Union, and promptly transmit such funds to the Union; provided, that the Employer has received from each employee, on whose account such deductions are made, a written assignment which shall be irrevocable for a period of more than one (1) year, or beyond the termination date of the applicable collective bargaining agreement, whichever occurs sooner.

### **SECTION 4. SENIORITY**

- A. Definition: For the purpose of this Agreement, seniority is defined as time spent on the active payroll or actively at work for the Employer at the facility covered by this Agreement on a continuous basis. Any employee transferred to any facility of his or her Employer will carry with him or her all seniority heretofore established.

- B. Application: When it is necessary to increase or decrease the number of employees, the principle of seniority shall be observed. The last person hired shall be the first person laid off and the last laid off shall be the first rehired. The rule of seniority of employees covered by this Agreement shall apply only within each Employer and shall prevail on different jobs providing the senior employee is qualified to fill the job of the junior employee. The rule of seniority shall also apply to vacation periods. Seniority shall also apply to shift and holiday preference provided the senior employee is capable and qualified to perform the work as determined by the Employer.
- C. Seniority Rights: Company wide seniority rights shall apply to layoffs, reduction in hours, location changing from one to another and vacation entitlement.
- D. Open Job: As additional help is needed at an individual location, employees, in seniority order, may be given the opportunity to fill such open job, and hours if they have applied to the Employer, provided the senior employee is capable and qualified to perform the work as determined by the Employer. Seniority shall not prevent the Employer from moving any employee from one location to another location. There shall be at least one shift bid per year per location. An employee may exercise his or her seniority only at that location.
- E. Layoff: Any employee at the time of layoff will, if recalled within one (1) year, be credited with the amount of service credit he or she had at the time of layoff.
- F. Recall: The seniority of an employee will be terminated for failure to report for work within five (5) working days after notice of recall is mailed by Certified Mail by the Employer, to the last address of the employee on the Employer's records.
- G. Broken Seniority: Seniority shall also be broken for the following reasons: Voluntary quit, discharge for cause, retirement, absence from work from three (3) consecutive scheduled work days without proper report of and proof of reason for absence, the use of intoxicants or drugs during the hours of employment, or leaving his or her place of employment before the completion of his or her designated shift, unless permitted to do so by his or her Employer, layoff for a period exceeding the employee's seniority but not to exceed twelve (12) continuous months, suspension or revocation of driver's license, and not returning from a leave of absence. The term "drug" means any substance or combination of substances, other than alcohol, which could so affect the nervous system, brain, or muscles of a person as to impair, to an appreciable degree, his or her ability to drive a vehicle or perform work in the manner that an ordinarily prudent and cautious person, in full possession of his or her faculties, using reasonable care, would drive a similar vehicle under like conditions. Notwithstanding any other provision of the Agreement, this provision shall cover the filling of available positions by each Employer (Contractor) covered by the Agreement.

- C.1 Each Employer agrees to maintain four separate lists. The first list will be the Permanent Employee list that will include all Permanent Employees and their building assignments. (Permanent employees are defined as those employees who are assigned by the Employer to a particular workstation on a daily and permanent basis.) The second list will include temporary employees who were permanent for a particular Employer but are now laid off and shall be known as the "A List". The third list will include top wage rate temporary employees for a particular Employer and shall be known as the "B List". (Top wage employees are defined as those employees who have never been permanent.) The fourth list will consist of temporary employees who are earning less than top wage rate for a particular Employer and shall be known as the "C list". To be included on any Employer's "C list", an individual must have worked at least one (shift) in the last twelve (12) months for that Employer.
- C.2 The placement of employees on the "A through C list" will be as follows:

  - (c) The next ranking will be of those employees who are earning less than top rate for a particular Employer (C list). The ranking among these employees will be based on the number of accumulated hours worked for that Employer.
- C.3 When a permanent position becomes available the most senior employee on the A list will be offered said permanent position. If there is no A list employee then the most senior employee on the B list shall be offered said permanent position. If there is no B list employee available then the most senior employee on the C list shall be offered said permanent position. For day porter and foreperson positions, client and Employer approval will also be a determining factor. For janitorial positions that require specific skills, the Union/Employer will do it's best to dispatch/place a member with the required capabilities.
- C.4 (C.3 original) On any given day, the Employer shall fill available temporary positions with the employee on its A, B or C List who is not working that day in the order of seniority, except for day porter, foreperson positions, and for

  - Not responding to three (3) Employer notifications for dispatch without just cause within a thirty (30) day period will be considered a voluntary quit, except for employees on the A or B list. It is understood that an employee will be considered to have not responded to a notification for dispatch on a given day only if the notification was given at some time from 3:00 p.m. to 4:30 p.m. on that day, except under extenuating circumstances. It is further understood that this paragraph does not in any way restrict the Employer's right to notify for dispatch at any time before 3:00 p.m. or after 4:00 p.m.
- C.9 Each Employer shall supply the Union with a copy of the lists stated in C.1. Thereafter, each Employer shall supply the Union with a daily report concerning the filling of temporary vacancies no later than 3:00 p.m. following the completion of the previous workday. LETTER OF UNDERSTANDING  
BACKGROUND CHECKS

At client request employees shall be subject to security background checks. Employees shall cooperate with the Employer as necessary for obtaining security background checks. Employees who fail such security background checks shall be subject to termination, if there is just cause. Any employee may elect not to participate in the requested background checks and will be reassigned based on seniority. No bumping of permanent employees shall be allowed.

For the purpose of this provision, just cause to terminate an employee who has failed a security background check exists only if it is established:

1. That one or more of the findings of the background security check is directly related to the employee's job functions or responsibilities, or
2. That the continuation of employment would involve an unreasonable risk to property or to the safety or welfare or specific individuals or to the general public.

If the customer or Employer determines that the employee has failed a security background check, but the Employer lacks just cause for termination under this provision, then the employee may be transferred or reassigned based on seniority. No bumping of permanent employees shall be allowed. Employees who failed a background check will have a right to a copy of the report and can appeal through the grievance procedure.

Window Cleaning Contractors  
Association and Window Cleaners  
Union, SEIU Local 1877, AFL-CIO

# **WINDOW CLEANERS AGREEMENT**

**April 1, 2010 to March 31, 2013**

**by and between**

**SAN FRANCISCO WINDOW CLEANING CONTRACTORS ASSOCIATION**

**and**

**WINDOW CLEANERS UNION – SEIU LOCAL 1877, AFL-CIO**

**THIS AGREEMENT** is made and entered into this 1<sup>st</sup> day of April, 2010 by and between the San Francisco Window Cleaning Contractors Association, hereinafter called the Employer, and the Window Cleaners Union, Service Employees International Union, Local 1877, hereinafter called the Union. The terms of the Agreement shall apply to all signatory Employers as listed on the signature page of this Agreement.

## **SECTION 1. RECOGNITION**

The Employer recognizes the Union as the sole collective bargaining agency for all window cleaners employed by the Employer in San Francisco. In order to be recognized by the Union, the Employer must have an established place of business and must employ at least one (1) full time window cleaner. Also, the Employer must furnish the Union with a certificate of Workers' Compensation Insurance for his employees directly from the insurance company involved.

## **SECTION 2. UNION MEMBERSHIP AND HIRING**

- (a) Union Membership: It shall be a condition of employment that all employees covered by this agreement and hired on or after its effective date shall, on the thirtieth day following the beginning of such employment, become and remain members in good standing of the Union or tender to the Union the initiation fees and periodic dues that are the obligation of members. Check-off provisions are set forth in Section 23.

For the purpose of this Section only, tender of the initiation fees not later than the thirty-first (31<sup>st</sup>) day following the date of employment or not later than the thirty-first (31<sup>st</sup>) day following the effective date of this Agreement, whichever is later, and tender thereafter of the regular monthly periodic dues uniformly required as a condition of retaining membership shall, for the purpose of this Agreement, constitute membership in good standing in the Union.

If the Employer uses persons not members of the Union as window cleaners (except conscientious objectors or financial core members), it shall be recognized as a violation of this Agreement. The Board of Arbitration established in Section 22 below, shall assess a reasonable penalty against the Employer, in the event of such employment violation. It shall not be a violation of this Agreement for janitors who are not members of this Union to wipe off glass doors and spot-clean partition glass; however, janitorial employees shall not use natural sponges, window cleaners' brushes or squeegees.

- (b) Hiring: When new or additional employees are needed, the Employer shall notify the Union of the number of employees needed. Applicants for jobs shall be referred by the Union to the Employer on a non-discriminatory basis.

The Employer shall be the sole judge of the competency of all applicants and reserves the right to reject any applicant referred by the Union. The Employer agrees within one (1) day of the date of hiring to notify the Union of the names, phone numbers and addresses of the persons hired.

In hiring, the Employer shall give preference to applicants previously employed as window cleaners in the local labor market area, which shall be defined to mean the City and County of San Francisco. It is expressly understood that neither the Employer nor the Union shall discriminate against any applicant for employment or employee because of religious creed, race, sex, union membership or age as defined in the Age Discrimination Act as amended.

If the Union is unable to refer to the Employer suitable applicants for employment within two (2) days (working days), the Employer may then hire persons from other sources, provided the Employer on the date of hiring shall notify the Union of the name, phone numbers and address of each person hired.

- (c) Probation period: There shall be a forty-five (45) working days probationary period for a new employee. The probationary period shall be applicable to each Employer for which the employee works until the new employee works more than forty-five (45) working days for one Employer.

During the probationary period, the Employer may discharge the employee without cause and without recourse to the grievance procedure.

### **SECTION 3. SENIORITY**

Seniority is the right accruing to employees through length of service which entitles them to appropriate preference in layoffs, rehiring and vacation.

Seniority shall be terminated by discharge for cause, resignation, retirement or failure to return from an authorized leave of absence or failure to return from vacation unless good cause for such failure is shown. In the event of a lay-off, employee's seniority shall be protected for twelve (12) months. If an employee is recalled to work within the twelve month period and does not report to work, then his seniority is terminated.

In all cases of layoffs, the principal of seniority shall apply. If the Employer is required to reduce the size of his crew, then the last person hired shall be the first person laid off. If an employee is laid off outside his seniority date because he lacks a particular skill, when the Employer regains that particular work that can be performed by the more senior employee, then the more senior employee will be recalled with no change in his seniority date. Recall shall be done on a weekly and not daily basis. This means if there is less than one week's work, recall is not mandatory.

It is understood that the Leadman shall be the last employee laid off because of the type of responsibilities required of the job. This provision shall apply to only one person per company and the Employer shall notify the Union of the person designated under this provision. The Employer agrees that the Leadman will not perform Journeyman work (i.e. window cleaning) if, in fact, a Journeyman with more seniority would be laid off. Once all the more senior Journeymen are recalled, the Leadman may perform Journeyman work, if necessary.

efforts to enforce the provisions of a seven and one-half (7 ½) hour day, and agrees to discipline any member found to be in violation thereof. It is understood the employees covered by this Agreement will at all times conduct themselves on the job in an orderly and business-like fashion.

Journeyman rates paid: after 3900 hours worked

Any inexperienced employee who has served a portion of his training period with one Employer and is subsequently hired by another Employer, part to this Agreement, may be credited with the training time served, upon mutual agreement of the Employer and the Union. When an inexperienced person is hired, it shall be compulsory that the inexperienced person work with a journeyman for a period of not less than six (6) months, regardless of the scale that the inexperienced person may be paid. If an inexperienced person is not qualified to perform the work he shall either be laid off, or, by mutual agreement between the Union and the Employer, his training time may be extended. There shall be no reduction of hours for any employee as a result of the signing of this Agreement.

An Employer hiring inexperienced persons shall be required to train such persons in all phases of the window cleaning craft.

At no time shall an inexperienced person be allowed to work more than seven and one-half (7 ½) hours per day or more than thirty-seven and one-half (37 ½) hours per week without the prior approval of the Union.

Journeymen window cleaners must be required to do all phases of window cleaning work as requested by the Employer, provided that no employee shall be disciplined under this provision without prior notice to the Union and discussion of the specific case involved. If the parties fail to agree, the case shall be handled as provided in Section 22 below.

**SECTION 8. HEALTH INSURANCE, DENTAL, VISION,  
PRESCRIPTION DRUG AND LIFE INSURANCE**

**(a) Health Insurance**

1. This Section expresses the understanding of the parties concerning Employer contributions to the General Employees Trust Fund on behalf of employees covered by this Agreement and their dependents.

2. All employer contributions referred to in this Section shall be paid into the General Employees Trust Fund, created under the terms of said plan in accordance with the procedures set forth below. It is understood that all questions concerning eligibility of employees for coverage shall be determined by the Trustees of the said Trust Fund.

The Employer shall provide benefits as contained in the agreed upon worksheet between the Employer and the Union of Menu Plan C18 through General Employees Trust Fund for eligible employees and dependents. The cost of the current Plan, as of March 1, 2010 is \$902.83 per month.

3. Between the first (1<sup>st</sup>) and the tenth (10<sup>th</sup>) day of each month, the Employer shall submit to the Trust Fund a list of all employees who have worked seventy-five (75) hours or more during the preceding calendar month. The list shall indicate the number of hours worked by each employee. Paid vacations, paid holidays, and paid sick leave are considered as hours worked in computing group insurance plan contributions. The Employer shall pay into the Trust Fund each month an amount to cover the cost of the benefits.

New employees hired after April 1<sup>st</sup>, 2010 (with the exception of returning Journeyman employees) shall become initially eligible for payment of the Health and Welfare premium after working nine hundred seventy five (975) hours and then working a minimum of seventy-five (75) hours in a subsequent calendar month. The definition of a "returning journeyman" who would not have to wait for a health and welfare contribution as defined above is a journeyman who has worked as a window cleaner for a signatory or me-too employer in the City and County of San Francisco within twenty-four (24) months of being hired by his/her

current employer. Any journeyman on payroll of a signatory or me-too employer as of the date of ratification does not have to wait nine hundred seventy five (975) hours for health care. (delete last sentence?)

4. The Employer agrees that the employee benefits established by the General Employees Trust Fund shall be maintained for the life of this Agreement. If the present carrier shall, as a result of loss experience, elect to increase the premiums, the Employer agrees to pay such increases as may be necessary in order to maintain the present employee benefits.

5. The Employer shall comply with all provisions of the Trust Fund and shall maintain, furnish and make available for audit at Employer's office such data and records as the Trustees may require as provided in the Trust Fund.

6. If any employee works seventy-five (75) hours or more in the calendar month but is not listed by the Employer, the Employer shall be personally liable and fully responsible for all claims that may be incurred by such employees in the same amounts as through the employee had in fact been listed. This personal liability, however, does not in any way relieve the Employer of his liability to make payments under this Agreement.

7. The Employer hereby accepts the terms of that certain Agreement and Declaration of Trust entered into at San Francisco, California, creating the General Employees Trust Fund and further agrees to become a party to said Agreement and Declaration of Trust. Employer hereby agrees to be bound by all of the provisions of said Agreement and Declaration of Trust and hereby acknowledges prior receipt of a copy thereof.

8. If an employee who has had six (6) months or more of service is injured or ill, the Employer shall continue to make monthly contributions on his behalf for at least two (2) months.

## **SECTION 9. PENSION**

There is hereby established plan for the purpose of providing pension or retirement benefits to employees covered by this Agreement. The Employer agrees to make periodic contributions on behalf of all employees covered by the Collective Bargaining Agreement to the Service Employees International Union National Industry Pension Fund ("Fund") in the amounts specified below. The Employer hereby agrees to be bound by the provisions of the Agreement and Declaration of Trust establishing the Fund, as it may from time to time be amended, and by all resolutions and rules adopted by the Trustees pursuant to

the power delegated to them by that agreement, including collection policies, receipt of which is hereby acknowledged.

Effective April 1, 2010, based on March, 2010 hours the contribution rate to the Fund shall be two dollars and fourteen cents (\$2.14) per hour for each straight time hour worked and paid for. Paid vacation, paid holidays and paid sick leave are considered as hours worked in computing contributions.

All out-of-town work shall be voluntary, and no employee shall be required to accept out-of-town assignments.

(e) It is agreed that when the personal safety of a member is concerned, his refusal to work on defective windows, or inadequate window cleaning equipment, shall not be sufficient cause for discharging of the employee and it is

further agreed that said member will not be penalized for such refusal by a the Employer.

(f) All other safety conditions not specified herein, but which form a part of the rules and regulations of the California Occupational Safety and Health Administration (Cal-OSHA) for Window Cleaners, shall be observed by the Employer.

(g) When the personal safety of a member is concerned, his refusal to pass through a picket line shall not constitute a violation of this Agreement.

(h) Where acid is used on scaffold work, steel falls shall be used instead of rope falls. Whenever employees are obliged to use acid in the course of their employment, Employers shall furnish employees with rubber gloves or other necessary equipment.

This committee is meant to discuss areas of mutual concern such as safety, training and the preservation of standards in the Window Cleaning Industry. It is not intended to discuss contractual issues.

Any employee instructed not to come to work because of rain or wind will not be entitled to show-up pay if informed within four (4) hours prior to the start of the shift. Such notification shall be solely based on seniority of people who work out of the shop and shall not be for punitive, discriminatory or personal favoritism reasons. Any employee who is put to work shall be guaranteed seven and one-half (7 ½) hours work or pay.

## **SECTION 22. GRIEVANCE PROCEDURE**

In case of a grievance or dispute concerning the interpretation or application of the terms of this Agreement, a representative from the Union and a representative from the Employer shall immediately attempt to settle the grievance or dispute.

The right to grieve is lost if the grievance is not brought up in writing within thirty (30) working days from the time the Union is aware of such dispute.

If the parties are unable to do so, a Board of Adjustment composed of two (2) representatives from the Union and two (2) representatives from the Employer shall, within ten (10) working days after written notice is mailed by either party to the other, meet to consider all questions under dispute and endeavor to arrive at a satisfactory settlement.

By advance mutual agreement of the Parties, an Adjustment Board as described above can be convened with the addition of a neutral mediator. The mediator will provide a non-binding recommendation to the parties to assist the parties in settling the grievance. If the parties reach a settlement, it shall be reduced to writing the day of the Board of Adjustment and signed off by the Board members.

The parties may file for Arbitration if the grievance is not settled at the Board of Adjustment. The party filing the Arbitration shall notify the other in writing within twenty business (20) days of the Board of Adjustment.

The Arbitrator shall be selected by mutual agreement between the parties. If the parties are unable to agree upon an arbitrator, they shall request a list of nine (9) arbitrators from the FMCS. Upon receipt of such a list, the parties shall alternately strike one (1) name from the list until one name remains. That

person shall serve as arbitrator. The party striking the first name shall be determined by the flip of a coin. The costs of the Arbitration shall be borne equally by the parties. The decision of the Arbitrator shall be final and binding upon the Employer, the Union and the employee(s). The Arbitrator shall have no authority to add to, amend, delete or modify this Agreement.

### **SECTION 23. CHECKOFF**

- (a) The employer agrees to deduct from the pay of each employee the membership dues required to maintain good standing as defined by the Constitution and Bylaws of the Union.
- (b) Membership dues shall be deducted in the following manner:
  - 1. Deducting for monthly dues shall be made from each paycheck based on the percentage established by the Union up to the maximum monthly dues amount commencing with the second (2<sup>nd</sup>) month of employment.
  - 2. Deduction for initiation fees, in the case of new employees not members of the Union, shall be deducted from the second (2<sup>nd</sup>) pay check received by such employee during the second (2<sup>nd</sup>) month of their employment.
- (c) All sums deducted for monthly dues and initiation fees shall be remitted to the Secretary-Treasurer of the Union not later than the last day of the calendar month in which such deductions are made, together with a list showing the names and addresses of employees and the amount of deductions made.
- (d) It is understood and agreed between the parties that deduction of Union membership dues shall be made only on the basis of written authorization from the individual affected.
- (e) The Union agrees to indemnify and hold the Employer harmless as to this provision.

### **SECTION 24. MISCELLANEOUS**

- (a) The Employer agrees to notify the Union of all jobs and also agrees to give notice to the Union of all new jobs and job cancellations within thirty (30) days.
- (b) The Union shall have the right to inspect the payroll concerning any employees covered by this Agreement, including records showing straight time and overtime work.

(c) "During the term of this Collective Bargaining Agreement, the San Francisco Window Cleaning Contractors Association and Service Employees International Union Local 1877 shall each appoint three (3) persons to a joint labor/management study committee. The purpose of the joint Study Committee will be to examine the feasibility and practicality of creating a joint labor/management state certified apprenticeship program including the costs that would be attached to creation of such an apprenticeship program. The committee will attempt to arrive at a joint recommendation during the term of this Collective Bargaining Agreement and present such recommendation to Service Employees International Union Local 1877 and the San Francisco Window Cleaning Contractors Association for further discussion between the Parties."

(d) Most Favored Nations Clause: If, during the term of this Agreement, the Union enters into a collective bargaining agreement or allows practices with another employer or group of employers employing employees in the classifications covered hereunder which provided for a total compensation package of wage rates or economic fringe benefits which are favorable to any employer than the total of the corresponding or similar provisions of the Agreement, then it is agreed that those more favorable conditions will become effective under the terms and conditions of this Agreement on the same date that they become effective under the other collective bargaining agreement.

(e) Alcohol and Drug Testing:

1) **Purpose.** This policy is to provide guidelines for "reasonable suspicion" alcohol and controlled substance testing to be effective April 1, 2000.

2) **Scope.** This policy applies to all employees of the Employers signatory to this Agreement.

3) **Definitions.** For the purpose of this policy, controlled substances are the drugs that the Federal Department of Transportation (D.O.T.) has defined in its drug testing program. These drugs are marijuana, cocaine, opiates, amphetamines and phencyclidine (PCP).

4) **POLICY**

**A. General Rules.**

No employee shall report for duty or remain on duty while having an alcohol concentration of 0.04 or greater, or use any controlled substance except when the use is pursuant to the instructions of a physician who has advised the

employee that the substance does not adversely affect the employee's ability to safely perform his/her job duties.

An employee whose conduct indicates that he/she is not in a physical condition to perform his/her job safely and efficiently **will** be required to submit to an alcohol and/or a controlled substance test.

A manager must have a "reasonable suspicion" **that** the employee is under the influence of, or adversely affected by, alcohol or a controlled substance. Reasonable suspicion exists when there is a clear indication of impairment based on objective evidence and/or based on specific personal observation by a manager who can attest to the appearance, behavior, speech or breath odor of the employee. The manager will document his/her observations and reasons for requesting testing, and get a witness where there is at least one (1) additional employee at the same worksite. Those observations may include but are not limited to:

- Abnormal work performance;
- Any combination of physical conditions and/or symptoms such as unsteady balance, alcohol on breath, glassy eyes, reddened eyes, unsteady gait, etc.;
- Abnormal person behavior or unusual interpersonal relations on the job;
- It is the Employer's policy to test for the abuse of drugs and alcohol following certain accidents on the job, AND when an individual is involved in an OSHA-reportable accident. An accident is defined as requiring more than first aid (e.g. treating by a physician or hospitalization), injuries that require lost time (at least ½ day), or loss of consciousness. When such accidents occur, a urine drug screen and breath alcohol test will be done.

The Employer will provide training to make managers **aware of the above** conditions.

An accident that occurs under suspicious circumstances or without any logical explanation may establish "reasonable suspicion" for requiring the employee involved to be tested; however, the mere fact that an accident occurred is not sufficient in itself to establish reasonable suspicion. In any case, an employee involved in a work-related accident who is the victim of another's carelessness shall not be subjected to any testing merely because he/she requires medical treatment.

Failure by an employee to submit to a test when reasonable suspicion exists shall be grounds for termination. Any employee who tests positive for a controlled substance and/or an alcohol test showing a concentration of 0.04 or greater or is in violation of any part of this policy may be subject to disciplinary action which could include suspension and/or termination.

If an employee tests positive or if they volunteer to enter a program, they must enter a program for rehabilitation. Upon successful completion of this program they will be allowed to return to work; however, if they test positive a second time, they shall be terminated without recourse to the grievance procedure.

**B. Reasonable Suspicion Testing Procedure.**

All alcohol and controlled substance testing will be performed at a qualified collection site. Alcohol testing will be done by Breathalyzer (evidential breath testing device) and controlled substance testing by urine specimen (an initial screening test is done and if necessary a conformation test using gas chromatography/mass spectrometry). Alcohol and controlled substance testing will be done during an employee's paid time.

All samples which test positive for controlled substances will be confirmed using a chromatography/mass spectrometry test, or it may be confirmed by use of a superior or equally reliable test if such becomes available.

The employee, at his/her personal expense, will have the opportunity to have a reputable testing facility test the same sample as was submitted to the original test facility. Accepted chain of custody procedures must be followed and the test facility selected by the employee must meet all standards set by Federal/Health Agencies for laboratory performance using certified Medical Technologists and Technicians. An employee may request the independent test by notifying the Employer or its manager in writing within two (2) calendar days after the day when the employee is informed of the test results. The test result will be kept confidential and will be available only to a designated Employer representative, a designated Union representative, or a designated legal representative.

None of the testing procedures are intended to be in violation of the law, and if any part of this Policy comes to be in violation of Federal, State law or City Ordinance, only that part shall be void and it shall not nullify any other provisions of this policy.

- f) If the Employer goes out of business, the parties agree to meet to discuss severance pay.

#### **SECTION 25 – NO STRIKE/NO LOCKOUT**

The language and spirit of this Agreement guarantees the prompt and faithful performance by the Employer and the Union of all obligations imposed by the terms of this Agreement. The parties, therefore, mutually agree that during the term of this Agreement, the Employer shall not lock out its employees, nor shall the Union or its members either cause, sanction, or engage in any strike, or slowdown or stoppage of work of the Employer's business. In the event of a violation of the provisions of this Section, the Union shall, upon notice from the Employer, immediately direct the affected employees to resume immediately normal operations.

It is understood that the observance by an individual member of the Union of a lawful picket line or another labor organization, which picket line has been sanctioned by the San Francisco Labor Council, shall not constitute a breach of this Agreement.

#### **SECTION 26. INDUSTRY STABILIZATION**

- (a) The Employer shall contribute five cents (\$.05) for each straight-time hour worked by employees under this Agreement to the Maintenance Cooperation Trust Fund, whose purpose is to enforce wage and hour, OSHA, insurance and other laws affecting the Window Cleaning Industry.
- (b) The Union agrees that no employee working under this Agreement shall engage in any window cleaning in the commercial office, commercial residential or retail sectors in the City and County of San Francisco which is not under the terms of this Agreement.

#### **SECTION 27. TERM OF AGREEMENT**

This Agreement shall become effective as of April 1, 2010 and shall remain in effect until March 31, 2013, and shall continue from year to year thereafter, provided, however, that each party reserves the right to give notice, in writing, to the other at least sixty (60) days prior to March 31, 2013 of its desire to change or terminate said agreement.

**E. RULES AND REGULATIONS**

The Employer shall have the right to establish rules and regulations as may be deemed necessary for the conduct, dress, management, job performance and working conditions of the company, and the Union agrees that its members will obey all rules and directions of any authorized representative of the Employer, insofar as any rule or direction does not expressly conflict with the terms and conditions of this Agreement or other pertinent regulations.

**F. NEW CATEGORIES AND CLASSIFICATIONS**

It is agreed that the Employer shall notify Local 16, as soon as practical but not less than thirty (30) days in advance, of the creation of any new category and/or classification not mentioned in this CBA and to meet and confer with Local 16 with respect to whether such a category and/or classification falls properly within the scope of this CBA and, if it is determined that it does, to bargain with respect to the minimum wage for the category and/or classification.

**II. GRIEVANCE AND ARBITRATION**

**A. GRIEVANCE**

In the event of any dispute or controversy between Local 16 and any of the persons subject to this agreement and the Employer related to the application or interpretation of any part of the terms and conditions of this agreement, a grievance can be filed by the employee, Local 16, or the Employer. Only Local 16 or the Employer, however, may process a grievance through this procedure. The procedure, unless otherwise specifically provided for herein, shall be as follows:

**STEP 1:**

A party, that is either Local 16 or the Employer, shall mail or deliver to the other party a written notice of the claim or grievance within five (5) working days (work days equal Monday through Friday) of the event(s) giving rise to the grievance. The written notice shall contain the specific contract sections which are alleged to have been violated, the date(s) or approximate date(s) of the alleged violation(s), the facts on which the grievance is based, the name(s) of the individual(s) aggrieved and the remedy sought. The party receiving the grievance shall, within ten (10) working days after the grievance is received, respond in writing to the aggrieved party, setting forth the reasons, if any, for the action(s) taken by it, which action(s) gave rise to the grievance. The representative of Local 16 and the designated representative of the Employer shall immediately discuss the matter within two (2) work days of the written response and the grievance shall be settled if at all possible. The decision, if any, of such representatives shall be final and binding upon the parties and any employee(s) concerned. If the party receiving the grievance fails to serve the written response required by STEP 1, then the other party may elect to proceed directly to arbitration or to STEP 2 by serving a written demand upon the other party within five (5) working days after the written response is due.

**STEP 2:**

If the parties fail to meet and/or confer, or the grievance is not settled, then the aggrieved party may proceed to STEP 2, by delivering or mailing, within five (5) working days as set forth above, a written demand, which shall include a statement of the particulars of the claim, upon the other party. If neither requests a STEP 2 conciliation meeting, then the aggrieved party may proceed directly to STEP 3, arbitration, by serving a written demand upon the other party within the time period set forth above. Failure of the aggrieved party to serve such demand for STEP 2

conciliation meeting or arbitration on a timely basis shall constitute a waiver of the grievance, unless both parties mutually stipulate otherwise in STEP 1.

If a demand for STEP 2 is served, the grievance shall be brought before a committee consisting of two (2) persons, each designated by Local 16 and the Employer. They shall be known as the Joint Conference Committee. The Joint Conference Committee shall meet no later than ten (10) work days following the receipt of such demand. The parties to such grievance shall be present and shall be responsible for the presentation of their own position at the designated time and place of the Joint Conference Committee. If the aggrieved party fails to appear, the grievance shall be considered to be waived. If the responding party fails to appear, the aggrieved party shall be entitled to proceed with the presentation of its position. The Joint Conference Committee, upon presentation of the evidence showing a contract violation, has the authority to settle the grievance and determine the matter if the majority of the persons designated render such a determination.

**B. ARBITRATION:**

Local 16 or the Employer, after properly utilizing all steps of the grievance procedure, and desiring to submit a matter to arbitration, shall notify the other in writing within ten (10) working days of the conclusion of STEP 1 or within ten (10) working days following the STEP 2 meeting or the cancellation of the STEP 2 meeting. The party desiring arbitration must, within five (5) working days of such notice, request the State Mediation and Conciliation Service of the Federal Mediation and Conciliation Service to submit a panel of five (5) or seven (7) Arbitrators. If the parties cannot agree to an Arbitrator within five (5) working days after receipt of such a list, each party shall have a right to alternatively strike an Arbitrators name from the panel until such time an one Arbitrator is left, and the remaining Arbitrator shall be selected as the Arbitrator in the proceedings.

The arbitration hearings shall be held at such a time and place as the Arbitrator shall determine. The decision of the Arbitrator shall be rendered in writing, relating his or her reasons for the award after the submission of the grievance for decision. The Arbitrators decision shall be final and binding upon the parties. The Arbitrator shall not have the power to amend, modify or effect a change in the provisions of this Agreement. Fees and expenses of the Arbitrator and the cost of the Court Reporter (if required by the Arbitrator) and the original transcript, where jointly requested, shall be borne equally by both parties to the dispute. If only one party requests a transcript, that party shall pay for it. All other costs shall be borne by the party incurring the cost. No individual employee shall have the right to initiate the arbitration process.

**C. ALTERNATIVE DISPUTE RESOLUTION PROCESS**

At any time in this dispute/grievance process, with mutual agreement, the parties may request to submit the matter to mediation. With the concurrence of both parties, the Federal Mediation and Conciliation Service shall be contacted to request the services of a mediator. Time lines may be mutually waived for the mediation to proceed. If the parties fail to reach a mutually satisfactory resolution, the moving party may proceed through the grievance procedure. Request to have the matter heard by an Arbitrator shall be submitted in writing within ten (10) calendar days of the final date of mediation.)

## COLLECTIVE BARGAINING AGREEMENT

THIS AGREEMENT is made and entered into by and between SANITARY TRUCK DRIVERS AND HELPERS UNION, LOCAL 350, an affiliate of International Brotherhood of Teamsters, hereinafter referred to as the "UNION," and NORCAL WASTE SYSTEMS, INC., GOLDEN GATE DISPOSAL & RECYCLING COMPANY, SUNSET SCAVENGER COMPANY, hereinafter referred to as the "EMPLOYERS."

### WITNESSETH

It is the intent and purpose of the parties hereto that this Agreement promote and improve the industrial and economic status of the parties, provide orderly collective bargaining relations between the Employers and the Union, and secure a prompt and fair disposition of grievances so as to eliminate interruption of work and interference with the efficient operation of the Employers' business.

#### SECTION 1. RECOGNITION

The Employers recognize the Union as the sole collective bargaining representative for all employees of the Employers working in the classifications hereinafter set forth, except and excluding the directors, office clericals, guards, and supervisors as defined in the National Labor Relations Act.

#### SECTION 2. NON-DISCRIMINATION

The Employers agree with respect to all hiring and employment decisions that there will be no discrimination or favoritism of any kind based on race, creed, color, sex, sexual orientation, religion, age or national origin or on the basis of physical or mental disability or medical condition as defined under the Americans With Disabilities Act and the California Fair Employment And Housing Act, so long as the affected person is fully capable of performing all job duties.

#### SECTION 3. UNION SECURITY

(a) It shall be a condition of employment that all employees covered by this Agreement shall apply for Union membership on or after the thirtieth (30th) day following the beginning of their employment or the effective date of this Agreement, whichever is later, and as a condition of continued employment, shall maintain their membership in the Union in good standing. "Union membership" and "membership in good standing" shall mean for purposes of this provision the payment or tender of payment by the employee of the initiation fee and monthly dues uniformly applied by the Union pursuant to its Bylaws. In the event an employee shall not comply with his/her obligation under this provision, the Union shall so notify the individual, providing such information as is required by the National Labor Relations Act in such circumstances, and copy the Employers. Thereafter, if the employee fails to remove his/her delinquency within such period of time as the Union allows, but not less than ten (10) days, the Union shall so notify the Employers and the Employer shall terminate the employee forthwith.

(b) The Employers recognize the right of the Local Union to designate a job steward from the Employers' seniority lists. The authority of the job steward so designated by the Local Union shall be limited to, and shall not exceed, the following duties and activities: the steward, upon receipt of prior approval from the Employers, shall be allowed a reasonable time to investigate, present and process grievances on Company property without loss of time or pay during his regular working hours, and, where mutually agreed to by the Employers and the Union, off the property and at times other than during his regular working schedule without loss of time or pay. Time spent handling grievances during steward's regular working hours shall be considered working hours in computing daily or weekly earnings.

(c) The steward shall, whenever possible, investigate, present and process grievances after the completion of his daily duties. All employees, including the steward shall report to the proper Employer representative with any concerns regarding unsafe working conditions, including, but not limited to, hazardous material, defective equipment or dangerous access. No shop steward or employee may change a customer container, location of pickup, frequency of pickups, level of service without express authorization from Employer. All employees must report, promptly, any changes in service provided to customer. In the event the handling of grievances and the daily duties of the steward require more than a regular working day, the steward shall receive no extra compensation.

(d) This Agreement shall be binding upon all the parties hereto and their successors. In the event the operations of the Employers which are covered by this Agreement, or any part of said operations, are sold, transferred or assigned, the Employers shall require the purchaser, transferee or assignee to adopt and become a signatory to this Agreement for the duration of its term. At such time as the purchaser, transferee or assignee adopts and signs this Agreement, the Employers' obligations to the Union and to the employees shall cease and the Employers shall have no continuing liability hereunder.

(e) The Employers shall give notice in writing of the existence of this Agreement to any purchaser, transferee or assignee, with a copy to the Union, not later than the effective date of the sale, transfer or assignment.

#### SECTION 4. EMPLOYERS' RESPONSIBILITY

It is recognized that in addition to other functions and responsibilities, the Employers have and will retain the right and responsibility to direct the operations of the Employers and in this connection to determine the assignment of all work to employees; the scheduling of routes and the methods, processes, and means of operation, to select, hire, promote, demote, and transfer employees, including the right to make and apply rules and regulations for discipline, efficiency, and safety, providing, however, that exercise of such rights shall not conflict with the following provisions of this Agreement.

Employers, and placement of employees in any of the following classifications shall be subject to the requirements of the Employers. Job descriptions for each of the classifications which are covered by this Agreement and which are utilized by the Employers are set forth in Section 23 of this Agreement.

(b) Each employee will be assigned to a classification, the duties of which he/she is competent to perform and which generally reflects his normal work. The fact that a job classification is listed herein does not necessarily mean that it must be utilized by the Employers.

(c) Any employee assigned by his Employers to perform work for any other company shall, for the duration of such assignment, remain subject to the terms and conditions of this Agreement.

(d) Retiree Health Plan. Effective January 2007 (December hours/January Contributions) the Employers shall participate in the Teamsters Benefit Trust (TBT) by contributing to the Retirement Security Plan ("RSP"), a retiree health plan, on behalf of each employee who has passed their probationary period and who works eighty (80) hours or more per month. The Employers shall submit the RSP monthly contribution rate as determined by the TBT Board of Trustees and shall maintain that benefit for the duration of this Agreement. For any employee who retires under the terms of the Norcal Waste Systems, Inc. Defined Benefit Pension Plan after the Employers have contributed at least six months of RSP contributions on his behalf but before the Employers have participated in the RSP for sixty (60) full months, the Employers shall.

- i. maintain the retired employee's active coverage in the Norcal Waste System Health Plan, until the employee reaches age 65 if the employee qualifies for Rule of 84 Retirement; and
- ii. if an employee or his retirement date is short of the sixty months necessary to be eligible for the RSP, submit to TBT in a lump sum the balance of the remaining months necessary to establish the employee's eligibility in the RSP (at the then applicable RSP monthly rate).

For purposes of their participation in the RSP the Employers hereby adopt the TBT Agreement and Declaration of Trust and agree to accept the TBT Subscriber's agreement providing for participation in the RSP.

(e) Pension Plan. The Employers shall continue to maintain a pension plan for all eligible employees. The designation of the plan for employees hired prior to January 1, 1989

and employed by Golden Gate Disposal Company is NORCAL WASTE SYSTEMS, INC.—DEFINED BENEFIT PENSION PLAN. The designation of the plan for employees hired prior to January 1, 1989 and employed by Sunset Scavenger Company is ENVIROCAL, INC.—RETIREMENT PLAN. Employees hired by either Company on and after January 1, 1989 shall be participants in the NORCAL WASTE SYSTEMS, INC.—DEFINED BENEFIT PENSION PLAN, and not in the other plans mentioned above. The current trustee of the pension plan is The Bank of New York Trust Company, and the Employers may change trustees at any time.

The earnings upon which pension benefits under each plans shall be determined, shall be those earnings defined in each plan.

(f) For eligible employees who retire under the terms of the pension plan on or after January 1, 2000, the multiplier in the NORCAL WASTE SYSTEMS, INC.—DEFINED BENEFIT PENSION PLAN shall be increased from 1.1% to 1.6% and the multiplier in the ENVIROCAL, INC.—RETIREMENT PLAN shall be increased from 1.6% to 1.75%. These increased multipliers for eligible employees will be used for all years of Benefit Service. Effective January 1, 2001, employees who are participants in the NORCAL WASTE SYSTEMS, INC. - DEFINED BENEFIT PENSION PLAN who are represented by Teamsters Local No. 350 and who accrue the NORCAL benefit will have their retirement benefits calculated using a maximum Benefit Service of 40 years, and their maximum benefit will be \$4,166.67 per month. Plan Compensation does not include any compensation earned after 40 years of Benefit Service. Participants who accrue the ENVIROCAL benefit will continue to have their retirement benefits calculated using a maximum Benefit Service of 40 years, their maximum benefit will be \$4,166.67 per month, and Plan Compensation does not include any compensation earned after 40 years of Benefit Service.

(g) Starting with the Pension Plan Year beginning 10/01/05, and for the term of this contract, the Employers will increase their annual contribution to the Norcal Waste Systems, Inc. Defined Benefit Pension Plan until the plan is funded at 90%, as measured by taking market value of plan assets and dividing by the actuarially determined accumulated benefit obligation (ABO) on the Company's pension plan disclosure at the end of the prior plan year. Such additional amount will be \$6 million per plan year (for a total contribution of \$18 million per plan year), or such lower amount to bring the funded status up to 90%, but the total contribution for the plan year shall not exceed the full funding limitation as described in the Internal Revenue Code. As long as the Plan is at the 90% funded level as described above, no "additional" contributions will be required.

(h) Rule of 84 Retirement. Effective January 1, 1998, when an Employee reaches the age of fifty-four (54), and the Employee's age when combined with the total years of contributory service exceeds eighty-four (84), the Employee shall meet the age and contributory service requirements to retire with one hundred percent (100%) of the pension benefits. Employees who choose to exercise this early retirement option shall continue the same

coverage in the Employer's health plan as when the Employee was employed up to the Employee's 65th birthday.

## SECTION 12. FUNERAL LEAVE

Each employee shall be entitled to receive up to eight (8) days' paid funeral leave (or nine (9) days if the employee is required to travel outside of the State of California) on each occasion of the death of a grandparent, grandchild, mother, father, grand-parent-in-law, mother-in-law, father-in-law, sister, brother, spouse or child. The Employers agree that once the employee satisfies his Employer, with proof of death, the funeral leave will automatically be paid without delay.

## SECTION 13. UNIFORMS AND EQUIPMENT

(a) Packing Can: It is understood that most rubbish collection employees employed by Golden Gate Disposal Company do not utilize packing cans. Should the need arise on any route, Golden Gate Disposal Company agrees to supply an appropriate packing

Sunset Scavenger Company, shall supply and maintain, within each twelve-month period, one standard packing can, 24 inches in diameter, with wheels, carrying handle and dumping handle, for each employee who is required to use one on the route.

Each employee of the Employers to whom a can is furnished is responsible for any damage to it which is the result of the negligence of the employee. In the event a can is lost or damaged beyond repair, the can must be replaced by the employee at his own expense. Before a replacement can is issued, the employee seeking a replacement at the end of the twelve-month period must turn in his old can.

(b) Rain Gear: The Employers shall furnish each contract year, at Company expense, rain gear when required for route employees, not to exceed one set every year. In the event the rain gear is lost or damaged beyond repair before the expiration of the one-year period, the employee must replace it at his own expense.

The Employers will maintain an adequate number of sets of rain gear in the shop for use as needed by shop personnel.

(c) Uniforms: The Employers will furnish to each regular employee, including shop, five (5) sets of uniforms in February of each year. The Employers shall also furnish for use by shop personnel an adequate supply of coveralls. All employees working outside the facility must have their high visibility vests as the outermost garment.

(d) Work Boots: Employers agree during January of each year during the term of this Agreement to pay each regular employee \$200.00 to be used for the purpose of purchasing work boots. Work boots shall be substantial in quality and of the type customarily worn by garbage collectors and shall be in reasonably good condition. Employees will not be allowed to wear excessively worn boots or unsafe footwear.

(e) Safety Equipment: The Employers shall maintain for use as required by shop personnel an adequate supply of safety equipment such as welding masks, hard hats, dust filters and such other devices as may be required by law or regulation. Safety bonus that were paid separately in prior contracts are now computed in the hourly wage as set forth in Section 5.

(f) Hand Tools and Insurance: Shop personnel must provide all their own hand tools. The Employers agree to provide adequate insurance to compensate shop personnel for losses as the result of theft or other casualty. Such compensation shall be by replacement of the tool and not by cash.

(g) Gloves: The Employers will furnish fifteen (15) pairs of working gloves per year to route employees.

(h) No Cash Allowance: Except as provided in subparagraph (d); above, there shall be no cash allowance given to any employee in lieu of the receipt by him of any of the items provided for in this Section 12.

(i) Employees are required to wear their uniforms and work shoes at all times during working hours. Any employee who violates this requirement shall be sent home without pay and shall receive a warning letter.

#### SECTION 14. NO STRIKES OR LOCKOUTS

It is agreed that there shall not be any stoppage of work either by strike or lockout by the Union or the Employers during the life of this Agreement. It shall not be deemed a violation of this Agreement or cause for discharge for any employee to honor any picket line authorized by the Joint Council of Teamsters having jurisdiction in the territory where the picket line is in effect, and no employee shall be discharged or discriminated against for Union activities or upholding Union principles.

#### SECTION 15. DISCHARGES AND SUSPENSIONS

(a) Employees shall be subject to discharge for dishonesty, intoxication, willful insubordination, grossly negligent performance of duties, competing with Employers, without prior warning or notice. Discipline for other matters such as, but not limited to, habitual tardiness, failure to report for work, neglect of duty, and violation of published company rules and regulations shall require a written warning to the employee and any offense occurring after two prior warnings and within six (6) months of the last warning shall be grounds for discharge. Copies of all warnings must be sent to the Union. All warning letters may not be used for disciplinary action if said warning letter is more than six (6) months old.

Upon ratification, all warning letters shall be removed from all employee files (this paragraph does not affect any prior suspensions or terminations or any agreement arising out of prior suspensions or terminations).

(b) Any suspension for more than five (5) days is governed by the same procedure as that required for discharges. A suspension of five (5) days or less may be given without notice

but shall not be given without just cause. A notice of suspension of less than five (5) days shall be sent to the Union and shall constitute a written warning within the meaning of subsection (a) hereof.

(c) Probationary employees are subject to discharge for any reason deemed sufficient in the sole discretion of the Employers.

## SECTION 16. SETTLEMENT OF DISPUTES

(a) Disputes: In the event that a dispute arises during the term of this Agreement regarding the interpretation or enforcement of any section of this Agreement, or the terms or provisions of written agreements supplementary to this Agreement, the matter in dispute in all its particulars shall be set forth in writing by the complaining party and served upon the other. If the dispute is not settled by the parties within ten (10) working days following the receipt of such written notice, or within such extended time as may be agreed upon, the dispute shall be referred to the Federal Mediation and Conciliation Service. No change in this Agreement, or interpretations resulting from a Federal Mediation and Conciliation Service or arbitration proceeding hereunder, will be recognized unless agreed to by the Employers and the Union.

(b) FMCS: If the dispute is not settled by the parties within ten (10) working days following the receipt of such written notice or within such extended time as may be agreed upon, the dispute may be referred to the Federal Mediation and Conciliation Service (FMCS) in accordance with subsection (b) hereof. Written notices given under this provision may be transmitted by telefacsimile (fax). If the United States Postal Service is used for notice, the post-marked date will be the date upon which service is effective.

(c) Arbitration: In the event that a resolution of a dispute regarding the interpretation or enforcement of any of the sections of this Agreement, or the terms or provisions of written agreements supplementary hereto, is not reached at the FMCS step, the dispute shall, upon the request either of the Union or the Employers, be submitted to a neutral arbitrator mutually selected and agreed upon, whose decision shall be final and binding.

(d) Selection of Arbitrator: Unless the parties can otherwise agree upon an arbitrator, a list of arbitrators shall be requested from the Washington, D.C. Office of the Federal Mediation and Conciliation Service. After a toss of a coin to decide which party shall move first, the Employers' representative and the Union representative shall alternatively strike one name from the list until one name remains and such person shall be the arbitrator for the determination of the case. The next to the last name stricken shall be the alternate arbitrator, and so on. The arbitrator shall have no right, power or authority to add to, subtract from, alter, amend or change any term or provision of this Agreement. Discovery procedures as permitted under California Law are permissible.

(e) Cost of Arbitration: Each party shall bear its own expense in presenting the case to the arbitrator. The expense of the arbitrator and of the reporter, if any, shall be divided between the parties hereto. The Employers agree to pay a sum equal to but not greater than one-half of said expense, and the Union agrees to pay a sum equal to but not greater than

one-half of said expense. Each side shall bear its own expense of producing witnesses, experts, interpreters and the like.

(f) No Interruption of Work: There shall be no interruption of work during the settlement of a dispute.

## SECTION 17. CHECK-OFF SYSTEM AND CREDIT UNION

(a) The Employers agree to recognize all written authorizations from Union members authorizing the deductions for their compensation of all uniformly required dues for the period of authorization which, in any event, shall be irrevocable for a period of one year. The Employers do not agree to deduct initiation fees, assessments or other exactions imposed by the Union unless the expense to the Company is paid by the Union. All deductions made pursuant to this Agreement shall be deducted from the employee's second payroll check of the month and shall be transmitted to the office of the Union by the twenty-eighth (28th) day of the same month. In the event the amount of said deductions is not transmitted to the office of the Union by the 28th day of any month for some reason beyond the Employers' control (for example, the fact that a particular pay period ends on or close to the 28th day), the Employers shall have a reasonable time within which to make said remittance. In no event shall the Employers' failure to make timely remittance be deemed by the Union, for any purpose whatever, to be a default in the timely payment of dues by any Union member.

(b) The Employers shall make credit union deductions from employee paychecks and transmit the amounts deducted to the employee's credit union upon receipt of authorization and designation duly executed by the employee; provided, however, that the deduction so authorized is a fixed sum each payday and the amount is not changed by the employee more frequently than once a year.

(c) DRIVE Deduction: (Upon ratification) the Employers agree to deduct from the paycheck of all employees covered by this Agreement voluntary contributions to D.R.I.V.E. D.R.I.V.E. shall notify the Employers of the amounts designated by each contributing employee that are to be deducted from his/her paycheck on a weekly/bi-weekly basis for weeks worked. The phrase "weeks worked" excludes any week other than a week in which the employee earned a wage.

Employers shall transmit to D.R.I.V.E. National Headquarters on a monthly basis, in one check, the total amount deducted along with the name of each employee on whose behalf a deduction is made, the employee's social security number and the amount deducted from the employee's paycheck. The International Brotherhood of Teamsters shall reimburse the Employers annually for the Employers' actual cost for the expenses incurred in administering the payroll deduction.

## SECTION 18. PAST PRACTICES

(a) The parties agree that during the term of this Collective Bargaining Agreement, all past practices shall continue provided they are consistent, well-defined and have been repeatedly followed by both parties, over a reasonable period of time without objection. Both

parties agree that during the term of this contract to meet as often as needed to list all past practices that currently exist.

(b) No past practice which may subsequently be determined to constitute a discriminatory employment practice shall be maintained; provided further, that should any provision of this Agreement or any practice maintained in effect pursuant to this Agreement be required to be terminated, modified or amended in any way by an order of any court of competent jurisdiction, the parties hereto agree that they will forthwith make whatever changes, modifications or amendments as required to be made to this Agreement or said practice by the order of said court.

## SECTION 19. CASUAL AND EXTRA EMPLOYEES

(a) The parties recognize that the Employers have a need for casual and/or extra employees to replace employees who are sick, on vacation or who for other reasons do not report for work. Accordingly, the Employers shall establish a pool of persons who are available for such work. A list of such individuals shall be maintained by the Employers, arranged sequentially in accordance with their first day of work, and shall be updated as needed for accuracy.

(b) Available extra work, including vacation relief, shall be assigned by rotation from the list of casuals in the order that such casuals appear on the list. When a casual completes the assignment, he shall be returned to his place on the casual list for further work assignment.

(c) The Employers shall have the right to eliminate names from the casual list on the basis of unreliability, poor work performance, or for other legitimate reasons. The grievance procedures of this Agreement shall not be available to casuals because they have been eliminated from the list, except as provided in paragraph (d) below.

(d) New registrants on the casual list shall be considered on probation, and shall not acquire seniority until they have completed ninety (90) shifts of work within five (5) calendar months. Upon achieving seniority, a casual shall be entitled to use the grievance procedures of the Agreement. The Guaranteed Hours provision of the Agreement shall not be applicable to casuals or extra employees.

(e) Casuals shall not be used in the manner that deprives regular employees of reassignments under Section 6(b) of this Agreement.

(f) Vacancies in regular employment shall be filled from casuals who have achieved seniority, in the order that their names appear on the casual list. In the event of layoff of regular employees, they shall have the right to be included at the top of the casual List, in accordance with their seniority. Their recall rights under this Agreement shall remain intact while performing work as casuals. Such laid off regular employees shall receive the full contractual rate of pay while working off the casual list.

## SECTION 20. STARTING TIME

(a) Changing of established starting times shall be at the discretion of the Employers, with notice of any such change posted on the bulletin board at least 24 hours in advance. Said posting requirement applies only to general changes in shift starting times and does not apply to changes in individual starting times which may from time to time be required.

(b) All new employees hired by the Employers on or after January 1, 1986 shall initially be assigned to night routes in order to relieve employees with more seniority than the new employees of the burden of being assigned to night routes. However, no employee who is assigned to a night route and who desires to keep his assignment shall be displaced by a new employee.

(c) It is understood that all routes that ordinarily leave the garage before 6:00 a.m. are considered to be night routes. All routes which ordinarily leave the garage at or after 6:00 a.m. are morning routes.

## SECTION 21. COFFEE BREAKS

All employees shall each day be entitled to take two (2) paid coffee breaks of fifteen (15) minutes each. An unpaid lunch break of thirty (30) minutes at as near to mid-shift as possible is also permitted.

## SECTION 22. SENIORITY AND LAYOFFS

(a) Separate Seniority: It is understood and agreed that the seniority provisions of this Agreement shall apply separately to Golden Gate Disposal Company and to Sunset Scavenger Company. It is further understood that said seniority provisions shall also apply separately to the Shop Departments and the Garbage Collection Departments of each Employer and to the Curbside Recycling Program Department at Sunset Scavenger Company and that said departments shall be considered as distinct entities for purposes of the application of these provisions.

(b) Attainment of Seniority: Seniority shall not apply to an employee until he shall have been employed for ninety (90) out of one hundred twenty (120) consecutive working days.

Upon attainment of seniority, an individual shall be considered a regular employee.

(c) Application of Seniority: In the reduction of forces due to the slackness of work, the last employee hired shall be the first employee laid off and in rehiring, the last employee laid off shall be the first employee re-hired until the list of former employees is exhausted, provided, however, that seniority shall be broken, and there shall be no re-hire right, after an employee has been on layoff for a period of six (6) consecutive months due to lack of work.

(d) Seniority List: The Employers shall maintain master seniority lists of all employees covered by this Agreement and provide the Union with a copy.

(e) The Employers shall not lay off any seniority employee without proper justification.

(f) Re-Hire Procedure: In the event of a layoff, an employee so laid off shall be restored to duty according to seniority.

(g) Filling All Positions: Seniority shall be adhered to in filling positions under this Agreement. Employees working other classifications under the jurisdiction of this Agreement shall be given reasonable trial on the basis of seniority to qualify for such positions.

(h) Vacancies: All jobs and classifications will be subject to a direct bid. Wherever a permanent vacancy occurs, it shall be posted for a period of five (5) working days, during which interested employees shall be entitled to bid on the vacancy. At the conclusion of the posting period, the Employers shall award the position to the most qualified bidder with the greatest seniority.

All future vacancies in commercial route positions such as front-end loader drivers, drop-box drivers and any other classifications in the commercial department shall be posted on the bulletin board to allow all employees qualified to bid for such vacancies.

All employees in the curbside recycling department shall have the right to sign for positions in the garbage collection departments at Sunset Scavenger Company in accordance with their seniority in their individual department. Their classification seniority in the garbage collection department shall start from the first day that the transfer takes place. In the event that there is no work available in the garbage collection department, the employees in the curbside recycling department shall have the right to return to their department, in accordance with their seniority. The employees in the curbside recycling department shall maintain their company seniority for all benefits under the Collective Bargaining Agreement with Sunset Scavenger Company.

Any employee who successfully bids for and is assigned to fill any vacancy shall not be eligible to bid on another vacancy for one year after he/she is so assigned, except that this limitation shall not prevent an employee from bidding on a vacancy in a higher classification.

(i) Job Seniority in Reassignment: Twenty (20) working days in a thirty (30) day period will establish seniority in a classification, except that employees assigned to cover temporary assignments such as vacation relief or temporary leaves of absence shall not acquire seniority in the classification to which they are temporarily assigned, no matter how long a period the assignment covers. An employee does not gain seniority in a classification except in the situation where the employee has been permanently assigned as the result of a bid.

When an employee, at his own request, is placed in a lower paid classification, he shall be paid at the rate of the lower classification. In the event the Employers have to cut down on any of the operations, they will have the right to reassign any employee to a lower classification without being obligated to pay the higher rate of pay. Seniority will be observed in such reassignment.

(j) Reduction in force protection: No employee who has attained seniority under this agreement by the date of ratification will be laid off or removed from the bargaining unit as a result of a reduction in force through December 31, 2011; provided, however, that this paragraph shall not apply in the event of a reduction in force caused by an act of God, terrorist action, loss of any City contract, or a successful challenge to the 1932 Initiative Ordinance. Such losses shall be verified.

(k) Removal of routes: In the event that route reductions are implemented, the seniority of the employee(s) on the removed route(s) will be compared to the remaining employees in that classification with a steady route(s). The senior displaced employee(s) has the option to assume the Route(s) of the least senior employee(s) in that classification. If the senior employee(s) exercise his/her option then, the least senior employee(s) within the affected classification with the steady route will be moved to the floater department in accordance with his/her seniority. The more senior employee(s) from the displaced route(s) will then be allowed to assume those route(s). The change of status form will indicate the effective change date of transfer. Additionally, if the senior employee(s) does not exercise his/her option to assume the least senior employee's route then he/she will be assigned to the floater department. Any option to assume an existing route under this provision is limited to those displaced employees without any trial period (except for directions) as time is of the essence to minimize customer disruption.

The employee shall be responsible for paying the COBRA premium for his/her health benefits after the first (6) months.

(c) Employees who lose their license due to a medical condition will use their best efforts to have the license reinstated. The Employers agree to make all reasonable accommodations, as defined by law, for the employee to continue to work. Any employee working without a license on the effective date of this Agreement shall continue in that capacity, provided the employee makes best efforts to become licensed.

Employees covered by this agreement and hired after October 1, 2005, will be eligible to participate on October 1<sup>st</sup> or April 1<sup>st</sup> whichever comes first following the first 1000 hours of service.
